

Away with words!

[]

MC: Away with words! Away with them, I say! We need some truly mindless physical entertainment, and to give us that mindless entertainment is our own Lola de Campa. Lola, can we get you out here please?

The extravagant Lola de Campa enters, swishing her long colorful skirt back and forth joyfully. She is wearing a large straw hat with flowers sticking out, and singing to herself a nondescript, happy little tune.

The MC and Lola briefly dance The Linky Pinky together, exchange kisses on the cheek, then high five each other.

The MC bows deeply, and exits backwards while in this bow.

The three other actors stand behind Lola, ready to demonstrate the mindless fun, and guide the audience.

Lola: Ahoy there, sailors and sailoresses! Let us now begin our mindless fun together! First, stand up please. Yes, everyone please stand up. Shake yourself out a bit, and loosen your lips with a nice long bbbllllrrrr! Again...bbbllllrrrr!

All right, now reach up as high as you can! Higher! Even higher!! Now bend slowly to your right. Good! Now bend slowly to your left. Great!

Now turn around, yes turn around, lean forward, and grasp the back of your seat. From this position, when I count down from three, please choose an animal that makes a fun noise, and make that noise. Maybe a dog, or a cow, or a howling wolf, or a quacking duck, or a meowling kitty cat. Ready? Three, two, one...go!

The audience makes animal noises.

Simon Says Something Sinister / Let's Play Guitar!

Lola: Wonderful! You can turn back around now. You really are the cat's meow, and more! Now let's try something even more fun. Stretch your left arm out to your side, and put your right arm firmly behind your back. Without moving your right arm, now play some wild guitar! Yes! Let those fingers fly up and down the guitar neck. Wunderbar!

During this time, a chair is quickly brought out, and two microphones set up: one for voice, the other for voice.

Ok, now I have a question for you. Are you playing guitar "right handed?" But wait a minute, how can you be playing guitar right handed if you can't even move your right arm? Just imagine trying to play guitar when you can't even move your arm. To help us do more than imagine this, we have a special guest with us tonight. Please be seated again.

See you lovely people a bit later! Mmmwuh!

Lola throws a big kiss, and skips off happily, swirling her skirts again and humming a vague, happy tune.
