## metanoia Version 1.0

Saturday, March 1, 2025 - 7:30pm | Phoenix Theater, San Francisco

### Program

1. Accurate to 100 pounds, what is the total weight of all your possessions?
2. How many words don't you know?
3. What are you not aware of?
4. How many distinct major categories of stupidity can you list?
5. What is the size of your carbon footprint, and is it bigger this year?
6. If you could get a complete personality transplant at no cost, what kind of personality would you choose?
7. How many crucial memories from earlier in your life have you repressed, but that still have a powerful unconscious influence over you?
8. At this point, based on the evidence, does humanity deserve to survive?
9. In your life so far, how much ecological damage have you been responsible for, directly or indirectly?
10. What situations in your life do you complain about that are actually your fault?
11. Are current conditions in the world only everyone else's fault?
12. If you were offered the conscious choice between challenging truths or comforting lies, which would you choose?
13. Just how much responsibility do you reject, and in what areas?
14. If you could personally bring more valid hope to the world, but doing so would require an effort to change yourself, would you make that effort?
